Dear Alice,

Please, find enclosed certification documents and forward to your customer.

Please be reminded that, in case of cancellation of the a.m. license, the respective application, including the original license document(s) and eventually attached Constructional Dataform(s), should be delivered to TÜV Rheinland by Dec. 31st in a given year to avoid annual charges for the forthcoming year.

We appreciate your support and would like to offer our assistance for your future products. Please feel free to contact us whatever your requirements may be.

With kind regards,

TÜV Rheinland Argentina S.A.
